## A Year of Thanks

By Candy Forte

I would like to thank all my staff help for 2004 for their dedication and help that they have given for this past year. It can be a lot of work at times, but we still manage to have fun at what we do. Have a great year and I look forward to a great 2005 with you. Happy New Year.

## Ladies Auxiliary From the President

By Nyda Fogarty, President 2004-2005

I want to thank all of you who sent in your check for the bake-less bake sale. It certainly helped a lot and if you haven't sent it in its not too late.

Our Christmas party and dinner was very good on December 2<sup>nd</sup>. The Past Presidents dinner and gift exchange was held at the Heritage House in Harvard on December 9<sup>th</sup>.

Our Guard in Auxiliary has been confined for sometime in Northwestern Memorial Hospital in Chicago after surgery. We hope Rose Mary Hellstern will recover soon and be back with us very soon as we miss her very much and the Auxiliary wishes her well.

There are a number of members who have not paid their dues for this year. Also, some long time members owe this year and for last years dues as well. If they are not brought up to date soon they will be dropped from the membership. The amount of the benefit per day for hospital confinement has been increased quite a bit with our insurance. So I hope the members will pay their dues as the end of our Auxiliary year is only six months away.

The Auxiliary has a lot of membership pins. These are for years of belonging to the Auxiliary from five years up to 50 years. Look at your membership card and it will tell the year you became a member. If you are eligible for a pin please let me know and we will give you your pin.

Our February 3<sup>rd</sup> meeting will be a potluck dinner at 6 pm. The 5<sup>th</sup> District President, Patty Rapanos, will be doing her inspection and she has been invited to attend the dinner preceding the meeting.

At the Christmas party we had a drawing for three free dues for the next year. Your dues had to be paid up and you had to be present. Those who won were: Lois Freund, Nyda Fogarty, and Ruth Gehrke. That was a nice Christmas present. We thank Chris Gehrke for taking charge of the Christmas party.

I wish everyone a Very Happy New Year!!

*Nyda Fogarty*

## January Blood Drive at Post 5040

By Matt Klos

Your community blood service since 1943.

Sid Sherwin, VFW Post 5040 Commander, is chairing a blood drive for the VFW at the end of January. The blood drive is scheduled for **January 30** (that's a Sunday) from **10:00 am to 3:00 pm**. The blood collection agency that will be on site is Heartland Blood Center which will have a mobile coach in the VFW Parking lot to perform the collections. Yes, this will be a heated environment and you won't be donating in a cold motor home.

To help replenish you after you give blood, Sid and the officers will be cooking a **Pancake Breakfast from 10:00 am to 3:00 pm at a cost of \$5.00 per person**.

All donors will receive a **\$25.00 Restaurant.com gift certificate**.

The post has not sponsored a blood drive for many years, so this is a nice community project and a great way to start the year. I usually give every 8 weeks and my next donation is at the end of December, but to help with this drive I plan on waiting until January 30 for this drive.

**For an appointment, please contact the Woodstock VFW at 815-338-5040, or Sid Sherwin at 815-338-5573. Please bring a photo ID to the Blood Drive.**

If you plan to donate, please be aware of some of the qualifications:

- you must be in good health and feeling well
- at least 17 years of age
- weigh 110 pounds or more
- you should eat something before you donate
- you have not donated blood within the last 8 weeks
- there is a 12 month waiting period after a tattoo or body piercing
- if you have an allergy, you can still donate if you have no acute symptoms on the day of donation
- if you are on antibiotics, donors acceptable after last dose
- if you have asthma, donors acceptable if under control
- if you had cancer, donors acceptable if pronounced cured after 5 years and in good health
- if you have a cold or flu, you cannot donate
- if you had dental surgery, donor acceptable after 72 hours
- if you have high blood pressure, donors acceptable provided blood pressure is within normal ranges at time of donation
- if you are on medications, please bring a list of medications taken to determine if you qualify to donate
- a history of heart attack, coronary artery disease, angio-

plasty or heart surgery disqualifies you as a donor

These are just some of the qualifications. There are other qualifications concerning pregnancy, surgery, malarial risks, medications, and residency outside the United States. If you have a question on eligibility, contact Heartland Blood Center at 1-800-7 TO-GIVE (1-800-786-4483).

## Report on Turkey Raffle, November 2004

"The Turkey Raffle was a great success this year, compared to prior years past. There was a lot of community involvement. It was great," commented Mike Dave, Chair of this year's Turkey Raffle.

The numbers say it all. 316 dinners were served and the total number of patrons numbered between 350 and 400. The post netted about \$7,333.00 A great success!

Mike David wants to thank everyone involved in preparing this event, those that help set up, the kitchen help, and the patrons of the community that came down to support the post.

Thanks go to Kelly and the bar staff, Candy and the Kitchen staff. Thank you very much for your hard work to pull this off.

Other prizes awarded other than of course the cash prizes and turkeys were an additional 24 paddle wheel prizes that included Chicago Cub tickets.

## Jack Wendt Presented with World War II Honor and Remembrance Medallion

By Matt Klos

On December 6, I received an email from MSG Jack Crossman, a life member of VFW Post 5040, wanting to give his uncle, Jack Wendt, also a life member of VFW Post 5040, a special Christmas gift. This gift would be the presentation of the Non Commissioned Officers Association (NCOA) World War II Honor and Remembrance Medallion.

Jack Crossman is a Master Sergeant in the U.S. Army and has been serving for over 27 years. He is currently stationed in St. Louis as a Security NCOIC, Human Resources Command; 96B Intelligence Analyst.

Jack's uncle, Jack Wendt, was a PFC in the U.S. Army serving during WWII from 1943-1946. He was attached to E Company, 387<sup>th</sup> Infantry Regiment, 97<sup>th</sup> Infantry Division as a BAR man.

The NCOA World War II Honor and Remembrance Medallion was created with the intent to honor these special veterans with a specially cast medallion and presentation box that would be retained as memento by the family for remembrance by their family and future generations. The medallion itself can be worn around the neck and the presentation box has some history about WWII and "The Greatest Generation."

The Presentation to Jack Wendt was something to be remembered and be proud of, especially since it was done by his nephew. As World War II veterans get older, keeping their legacy alive and remembering what this war was all about becomes essential for current and future generations to reflect on. Jack Crossman made sure, with the presentation at the VFW meeting, that his family will have something for future family generations to connect a family member with WWII.

For more information on this medallion, visit the web page at: [www.ncoa.egastores.com](http://www.ncoa.egastores.com)

## Three New Members Sworn In - All Family

By Matt Klos

At the December meeting we had a special event take place in the swearing in of new VFW Post 5040 members. Not only were three of the new members related, but it was a father and his two sons. Something like this does not happen very often and I have not heard of it before. This is a great accomplishment for a family of veterans to all become members on the same night.

The father, Jim Elsinger, is a Lieutenant Colonel in the Army. He served in Desert Storm and Afghanistan in Operation Enduring Freedom and Noble Eagle. His military career spans 26 years and is currently assigned to Joint Forces HQ as Deputy Ops Director. Previously he was with the 29th Division(L) S3, 175th Infantry.

Jeremiah Elsinger was an Army Specialist (SP-4) in Tactical Transportation Support. He was deployed to Kuwait and southern Iraq in Operation Iraqi Freedom in 2003-04. There he was an Equipment/Supply Mount in Baghdad with the 1485th Transportation Company.

Joseph Elsinger was in the Air National Guard, 113th Air Maintenance Squadron. He supported the Joint Task Force in Southwest Asia during Iraqi Freedom in 2003 where he was a Crew Chief of an F-16 Fighter Wing.

Post 5040 extends a warm welcome to these new members. Welcome comrades!

## Hugh Mullin - Congressional Medal of Honor

By Don Peasley

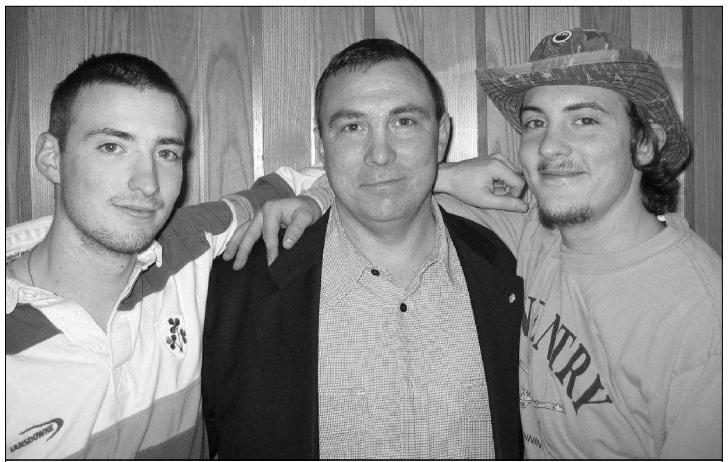

A recent mention of Elmer Bigelow in the VFW News prompted the following recollection from Jack Meyers:

"Your account of Elmer Bigelow's action aboard the USS Fletcher was a wonderful report. Bigelow went beyond the call of duty, saved his ship and lost his life. He deserves great praise for his deed."

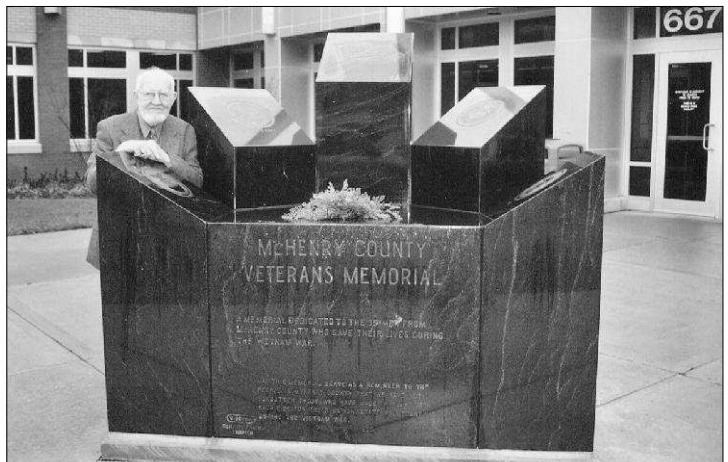

"His heroism act was performed during World War II. The account said he was the only McHenry County man to receive the Congressional Medal of Honor. However, Hugh P. Mullin, a seaman, United States Navy, Richmond, received the Congressional Medal of Honor for heroic action, too."

"Mullin, born in 1878, was a Richmond resident. The citation issuing the Congressional Medal of Honor on January 8, 1900, stated, 'On board the USS Texas during the coaling of that vessel at Hampton Roads, Virginia, on November 11, 1899, Mullin jumped overboard while wearing a pair of heavy rubber boots at a great risk to his life, and he rescued Alfred Kosninski, Apprentice Second Class. Kosninski had fallen overboard. Mullin supported him until Kosninski was safely hauled from the water.'"

Meyers said this information was printed in the Congressional Medal of Honor, published by Sharp & Dunnigan Publications.

Son, Joseph Elsinger (left), father Jim Elsinger (middle), and son Jeremiah Elsinger (right) were sworn in as new members of VFW Post 5040 at the December meeting. The top undated photo shows all three men in uniform, the bottom was taken at the post meeting on December 20, 2004 (Bottom photo by Matt Klos).

Don Peasley stands by the McHenry County Veterans Memorial. The memorial was moved to the McHenry County Government Center Administration Building on Ware Road earlier this year. The granite monument was first located at the east entrance to the Government Center. The present location provides more visibility and prominence for the beautiful structure honoring the 35 McHenry County men who died during the Vietnam War. (Don Peasley Photo)

## Follow Up on Patriots Pen and Voice of Democracy Winners

By Don Peasley

The Woodstock VFW Post 5040 and Auxiliary sponsored the Voice of Democracy essay and the theme for 2004 was, "Celebrating Our Veterans' Service." Students from high schools throughout McHenry County were invited to enter the contest.

Michael Koerner, 17, Huntley High School senior, is this year's Woodstock VFW Post 5040 Voice of Democracy winner.

In his winning essay he wrote, "I thank those noble individuals for ensuring the flag continues to fly, citizens continue to vote and the spirit of our country perseveres."

"The cornerstone of our national defense is in the hearts of those men and women courageous and selfless enough to risk their lives to continue the American prosperity."

The two organizations also sponsored a Patriotic Pen Essay Contest for elementary school students. Theme for this contest was, "What Service to Our Country Means to Me."

Kelsey Harding, sixth grade student at St. Mary's Elementary School, Woodstock, is the Patriotic Pen Essay Contest winner. In her essay she salutes the thousands of people who provide service to the United States—the President of the United States, people in the Armed Forces and members of the police and fire departments.

Hank Enstrom and Chris Gehrke are co-chairmen for these VFW and VFW Auxiliary patriotic programs involving students from throughout McHenry County.

Essay winners and their parents will be guests at the VFW meeting Monday, January 17. Fifth District winners will be announced at the Fifth District dinner at Antioch in mid-January.

### From the Editors Desk

By Matt Klos

Happy New Year Post members and Ladies Auxiliary! Hope you had a great holiday season.

As we enter into another year, we are starting out with a bang. We have a Blood Drive and the Sweetheart Raffle coming up. By now you are probably sick and tired of hearing me push this raffle in the newsletter, but we appeal to the membership to sell these tickets and bring some money into the post. Without fund raisers like this, we cannot give out as much money to special VFW programs and donate like we want to. Each month requests come into the post from many organizations asking for donations, and the Post with its limited funds has to be selective in who gets funds and who does not. It's not easy to do. Please help out if you can.

As we go into the new year, we are still engaged in a war on the other side of the world where our military service men and women each day take on the risk of death. Remember them in your prayers. They are doing a job that nobody wants to do, all in the name of Freedom, something we all take for granted sometimes. **We are proud of all our service members!**
